

Active Shooter Training For Churches

Active Shooter Training for Churches: Preparing for the Unthinkable

Author: Reverend Dr. Eleanor Vance, PhD in Pastoral Counseling, Certified Trauma Response Specialist, and Founder of Sanctuary Safe, a non-profit dedicated to church safety and security.

Publisher: Faith & Security Press, a leading publisher of resources for faith-based organizations on safety and security issues.

Editor: Dr. Michael Harris, PhD in Criminology, specializing in active shooter response and prevention strategies.

Introduction:

The unthinkable has become a stark reality for many communities, including those of faith. The horrifying specter of an active shooter incident has forced churches, places traditionally viewed as sanctuaries of peace, to confront the grim necessity of active shooter training for churches. This training is no longer a luxury; it's a vital component of responsible pastoral care and a crucial step in safeguarding congregants and staff. This narrative explores the critical importance of active shooter training for churches, drawing on personal anecdotes, case studies, and expert insight to illuminate the pathways toward preparedness and resilience.

H1: The Shifting Landscape of Church Security

For generations, churches operated under an implicit assumption of safety. Open doors, welcoming smiles, and a sense of community were paramount. However, the tragic increase in mass shootings across the nation has shattered this illusion. The devastating attacks on places of worship underscore the urgent need for proactive measures, and active shooter training for churches is at the forefront of these efforts.

I remember vividly the day I received a call from a distraught pastor whose church had been the target of a threat. The fear and uncertainty in his voice were palpable. He felt helpless, unprepared, and overwhelmed by the responsibility of protecting his flock. That call solidified my commitment to providing comprehensive active shooter training for churches.

H2: Case Studies: Learning from Tragedy

Analyzing past incidents provides invaluable lessons. The attack on the First Baptist Church of Sutherland Springs in 2017, where 26 people were killed, serves as a grim reminder of the devastating consequences of unpreparedness. Similarly, the shooting at the Tree of Life Synagogue in Pittsburgh highlighted the vulnerability of places of worship, regardless of faith. These tragedies underscore the critical need for active shooter training for churches and other faith-based organizations. These events aren't just statistics; they are human stories of loss, trauma, and the urgent need for better preventative measures.

H3: Components of Effective Active Shooter Training for Churches

Active shooter training for churches isn't simply about teaching people to fight back. It's a multifaceted approach encompassing:

Risk Assessment and Vulnerability Analysis: Identifying potential threats and vulnerabilities within the church building and its surrounding areas. This includes reviewing security protocols, access points, and potential hiding places.

Run, Hide, Fight: This widely recognized strategy emphasizes the importance of evacuation (Run), seeking shelter (Hide), and as a last resort, engaging the shooter (Fight). The training emphasizes decisive action and the understanding that any response is better than inaction.

Communication and Coordination: Establishing clear communication protocols during an emergency, including designating communication points and using pre-arranged signals.

Medical Response Training: Equipping trained individuals within the congregation with basic first aid and trauma care skills to provide immediate assistance to injured individuals.

Post-Incident Response: Addressing the psychological trauma experienced by survivors, staff, and community members after an active shooter incident. This involves providing access to mental health resources and establishing support systems.

H4: Practical Applications and Personal Anecdotes

During one of my training sessions, a participant, a senior member of the congregation, expressed anxieties about the 'Fight' aspect of the Run, Hide, Fight strategy. Her apprehension was understandable. However, through guided discussion and practical demonstrations, we addressed her concerns, emphasizing the importance of self-preservation and the unlikely scenario of needing to engage in direct confrontation. The training wasn't about glorifying violence, but about empowering individuals with the knowledge and skills to survive.

H5: Overcoming Obstacles and Building a Culture of Safety

Implementing active shooter training for churches faces challenges. Some congregations may resist the idea, viewing it as contradictory to their faith's message of peace and love. Others may lack the resources or personnel to conduct comprehensive training. Addressing these concerns requires open dialogue, sensitivity, and collaboration with community partners, law enforcement agencies, and security professionals. Building a culture of safety requires a proactive, ongoing commitment, not just a one-time training event.

H6: The Ongoing Commitment to Safety

Active shooter training for churches is not a one-time event; it's an ongoing process. Regular drills, updated security protocols, and continued education are essential to maintaining preparedness. This includes incorporating lessons learned from past incidents and adapting strategies to the specific needs and context of each church community. The goal is not to live in fear, but to cultivate a sense of vigilance and preparedness, allowing faith communities to continue their vital work in safety.

Conclusion:

Active shooter training for churches is no longer a matter of choice but a necessity. It's about protecting vulnerable members of our communities and ensuring that places of worship remain sanctuaries of peace and safety. By embracing proactive security measures and implementing

comprehensive active shooter training for churches, we can work towards creating safer environments for everyone. This requires a collective effort involving church leadership, congregants, security professionals, and law enforcement agencies. The responsibility for safety rests upon us all, and by working together, we can effectively mitigate the risks and build more resilient faith communities.

FAQs:

1. Is active shooter training for churches legally required? No, it's not legally mandated in most jurisdictions, but it's a highly recommended best practice.
2. How much does active shooter training for churches cost? Costs vary depending on the provider, the duration of the training, and the number of participants.
3. Who should participate in active shooter training for churches? All staff, volunteers, and regular attendees should ideally participate.
4. What if my church is small and doesn't have many resources? There are affordable and adaptable training options available, and many organizations offer assistance to smaller churches.
5. How often should active shooter training for churches be conducted? Ideally, training should be conducted annually, with refresher courses and drills held more frequently.
6. What if my congregation is hesitant about active shooter training for churches? Open communication, addressing concerns, and emphasizing the proactive nature of the training are crucial.
7. How can I find a reputable active shooter training provider for my church? Research reputable organizations with experience in training faith-based communities. Check certifications and qualifications.
8. What role does law enforcement play in active shooter training for churches? They can offer valuable insights, conduct drills, and provide ongoing support.
9. How can we integrate active shooter training for churches with our existing safety protocols? A comprehensive review of existing protocols is necessary to integrate training effectively.

active shooter training for churches: *I'm Not Scared...I'm Prepared!* Julia Cook, 2014-05-01

When faced with danger you must DO something. The teacher at the Ant Hill School wants her students to be prepared - for everything! One day, she teaches her students what to do if a dangerous someone is in their school. I'll be your shepherd, and you're all my sheep, so you must do what I say. Pretend there's a wolf in our building, and we MUST stay out of his way! We need a great plan of action in case we start to get scared. The ALICE Plan will work the best, to help us be prepared. Unfortunately, in the world we now live in, we must ask the essential question: What are the options for survival if we find ourselves in a violent intruder event? *I'm Not Scared...I'm Prepared!* will enhance the ALICE concepts and make them applicable to children of all ages in a non-fearful way. By using this book, children can develop a better understanding of what needs to be done if they ever encounter a dangerous someone.

active shooter training for churches: *Keeping Your Church Safe* Ron Aguiar, 2008-08-01

When church leaders fail to provide for the well-being and protection of everyone involved in congregational programs, they are derelict in their duty to shepherd and protect the flock. A conscientious and well run safety program gives a sense of security and comfort to those who attend and helps provide an atmosphere where worship, fellowship, edification and service can take place without incident. *Keeping Your Church Safe* is a practical blueprint for churches covering all aspects of church security and safety for staff, premises and members. It's a well-outlined, easy-to-follow guide in establishing an effective security program for congregations of all sizes. Given the uncertain times in which we live and increasing threats to our churches, Ron has written a practical, thorough, easy-to-read book that should be a textbook for any church. More importantly, he loves the Lord and His church and has dedicated his life to making sure Christ is exalted in the best and safest way possible. Bob Russell (retired) Senior Minister Southeast Christian Church Louisville, Kentucky Addressing topics rarely discussed but realistic, this book is an excellent guide for church administrators, security managers, board chairpersons, volunteers or anyone serious about protecting our places of worship. It has been written as a result of years invested in front line experience. It contains the insight of a safety manager, site security chief, dignitary protection administrator and a special event commander, all in one. Major Bill Weedman (retired) Commander of Special Operations and Event Management Louisville Metro Police Department Ron Aguiar has been at Southeast Christian Church for 10 years as Director of Safety & Security, with an additional 10 years spent in public law enforcement and private security. Ron is a sought-after speaker, consultant to churches, para-church organizations and public law enforcement agencies. Contact Information: churchsafetyandsecurity@gmail.com

active shooter training for churches: *Evil Invades Sanctuary* Carl Chinn, 2012-06-01

active shooter training for churches: Smart Church Management: A Quality Approach to Church Administration Patricia S. Lotich, 2020-01-17 Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources, managing volunteer labor, and supporting the needs of the congregation. *Smart Church Management: A Quality Approach to Church Administration*, Third Edition is an updated guide for managing the resources of a church - which is people, time and money. This book provides tools and examples for decision making and problem-solving for church administration that is easy to understand and more importantly, quick to implement! This book also includes discussion questions to provoke thought and discussion for church teams. This book is ideal for ministry students, church boards, church leadership and church administrators.

active shooter training for churches: *Defending the Flock: a Security Guide for Church Safety Directors* Kris Moloney, 2017-12-12 This Church Safety and Security Ministry Guide is intended to help Safety Directors of small to medium size churches with training their volunteer teams. This guide was developed by painstakingly researching nationally recognized publications and by consulting with experts in church security, crime prevention, emergency medical response, fire safety, pastoral protection, security, and a number of other fields of study. It contains chapters on everything from Active Shooter Neutralization to Protecting Children from Sexual Abuse.

active shooter training for churches: Stop the Killing Katherine Schweit, 2021-08-15 Stop the Killing offers insight into what each of us can do to end the active shooter crisis plaguing America. Written by the former head of the FBI's active shooter program, Katherine Schweit, shares an insider look at what we've learned, and failed to learn, about protecting our businesses, houses of worship, and schools. The book demystifies the language around active shooters, mass killings, threat assessment teams, and more. Never gathered before into one place, readers gain access to evidence-based research and the most up-to-date information as they travel step-by-step through shooting prevention efforts and shooting aftermaths. Beginning with an understanding of how to spot potential shooters, readers learn the many ways to prevent shootings and the role threat assessment teams play. Threat assessment experts provide insight on what kind of information they need, and how they use it to intercept a person on a pathway to violence. The book guides readers through the process of assessing building security weaknesses and shows how to find vulnerabilities in people, programs, and policies. Packed with practical advice for training every age, from preschoolers, to elementary school children, to adults, the book also includes the author's own teaching outline on how to train people to run, hide, fight. The book gathers together examples to help build individualized emergency operations plans and shows how to tap vast government resources to cover costs to your office and employees, districts and students, and survivors and victim's families. Hear sober advice gathered from those who have survived and responded to shootings at Columbine High School, Virginia Tech, Sandy Hook Elementary School, the Aurora theater, Los Angeles International Airport, and more. Their common theme is that it can happen anywhere and has. All the more reason to accept that as each of us better understand what happens and how to prevent it, we can be the ones to stop the killing. The book also features a new preface exploring the 2021 school shooting tragedy in Michigan, especially the groundbreaking use of a domestic terrorism charge filed against the shooter and involuntary manslaughter charges filed against his parents.

active shooter training for churches: Keeping Religious Institutions Secure Jennie-Leigh McLamb, 2015-04-13 Keeping Religious Institutions Secure explores the unique vulnerabilities that churches, synagogues, and mosques face in regards to security, making them attractive to criminals who see them as easy targets. The text illustrates why all places of worship should think about security and the types of breaches that can drive people away. The book focuses on the most frequent security concerns experienced by houses of worship, including embezzlement, vandalism, assault, hate crime, and in rare cases, an active shooter—and how to help prevent them from occurring. Beginning with an overview of the basic security concepts and principles that can enhance the security of any religious facility, it then delves deeply into the particular security concerns of houses of worship, including the use of volunteers, protecting religious leaders, ensuring safety for children and teens, interacting with local law enforcement, handling the media, and much more. - Covers security best practices that are adaptable to any type of religious institution. - Addresses the key security measures—physical, electronic, environmental, and procedural—for protecting people and facilities. - Includes guidance on identifying threats and vulnerabilities and instituting countermeasures for deterring crime and violence.

active shooter training for churches: The Church Security Handbook Vaughn Baker, 2017-11-20 The Church Security Handbook: Because It Can Happen Here Attacks on churches are on the rise. Yet the temptation is to think that it can't or won't happen in our city or congregation. The Church Security Handbook takes a practical, biblical approach to answering critical questions about security including: * What are the odds of an attack on my church?* Does church security indicate a lack of faith in God?* How can we have a security team without a fortress mentality?* Does a security team have to be armed?* How do we select and train our team?The Church Security Handbook is written by the experienced, real-world professionals at Strategos International, www.strategosintl.com

active shooter training for churches: Safety and Security for Churches and Other Places of Worship Kevin L. Erskine, Joy A. Volpi, 2023-10-27 Safety and Security for Churches and Other

Places of Worship is a reference book focused on how to form a first responder team for churches, synagogues, temples, and other places of worship. It will assist team leaders on how to train for both security and medical emergencies, provide training aids and ideas, and how to write SOPs and legal issues. Trending violence directed at soft targets is growing, forcing places of worship to respond with highly trained personnel to quickly intervene. Many medical incidents can have drastically better outcomes if trained medical personnel render immediate medical care. For instance, the use of an AED in conjunction with CPR can drastically improve survival rates from 15% to 85%, versus just CPR alone. Topics covered include: Environmental disasters Acts of violence Active shooter incidents Bomb threats Unruly/disruptive persons Suspect control Sexual abuse Realistic training using fake wounds Tabletop exercises Team building Medical emergencies An equipment chapter helps to determine what equipment is a priority for teams limited by budget. Some equipment can mean the difference between a friend being mistaken for an aggressor, resulting in an innocent person being injured or killed. Safety and Security for Churches and Other Places of Worship is a must-have reference for anyone charged with the duty to protect those who attend and work at places of worship.

active shooter training for churches: *Conversations with the Sacred* Manish Mishra-Marzetti, Jennifer Kelleher, 2020 A testimony to the power of prayer as a form of sacred conversation--

active shooter training for churches: The Violence Project Jillian Peterson, James Densley, 2021-09-07 Groundbreaking. —Rachel Louise Snyder, bestselling author of *No Visible Bruises* An examination of the phenomenon of mass shootings in America and an urgent call to implement evidence-based strategies to stop these tragedies Winner of the 2022 Minnesota Book Award Using data from the writers' groundbreaking research on mass shooters, including first-person accounts from the perpetrators themselves, *The Violence Project* charts new pathways to prevention and innovative ways to stop the social contagion of violence. Frustrated by reactionary policy conversations that never seemed to convert into meaningful action, special investigator and psychologist Jill Peterson and sociologist James Densley built *The Violence Project*, the first comprehensive database of mass shooters. Their goal was to establish the root causes of mass shootings and figure out how to stop them by examining hundreds of data points in the life histories of more than 170 mass shooters—from their childhood and adolescence to their mental health and motives. They've also interviewed the living perpetrators of mass shootings and people who knew them, shooting survivors, victims' families, first responders, and leading experts to gain a comprehensive firsthand understanding of the real stories behind them, rather than the sensationalized media narratives that too often prevail. For the first time, instead of offering thoughts and prayers for the victims of these crimes, Peterson and Densley share their data-driven solutions for exactly what we must do, at the individual level, in our communities, and as a country, to put an end to these tragedies that have defined our modern era.

active shooter training for churches: Warnings Unheeded Andy Brown, 2016-11-02 On 20 June 1994, a gunman opened fire inside the busy hospital of Fairchild Air Force Base. Four days later, the crash of a B-52 bomber killed some of Fairchild's most veteran aviators. The twin tragedies struck suddenly – but not without warning. This nonfiction narrative is a page turner... you will not put it down. —CMSgt William Kelly, USAF, Office of Special Investigations *Warnings Unheeded* is the work of criminal investigator Andy Brown. As a young military policeman, Brown saved countless lives when he raced to the hospital and ended the gunman's shooting spree. His devotion to duty prepared him for the deadly gunfight, but he wasn't prepared for the traumatic effect of learning that twenty-six people had been gunned down prior to his arrival, or for the loss of four aviators later that week. On a quest for answers, Brown spent two decades investigating the events that led to the mass murder and the plane crash. His relentless research uncovered numerous people who had warned of the impending violence and disaster. With heavy use of firsthand accounts, *Warnings Unheeded* lets us experience the unfolding tragedies through the eyes of the men and women who struggled to prevent them. From the people who tried to help a troubled airman even as he plotted to kill them. From the aviators who were forced to fly with a seemingly-suicidal pilot. And from a

military policeman who offers a candid insight into the hidden cost of becoming a “hero.” Warnings Unheeded is a story of heroes and humanity – of violence and mental illness – and if we are willing to listen, a timeless warning from the ghosts of our past. Best book I’ve read in some time. Without lurid details or overwrought prose ... [Brown] illustrates the events leading up to the twin tragedies with a thoroughness and professionalism I suspect he brings to every task he takes on. But this is no dry recounting of facts, and Brown’s compassion for the victims is as clear as his prose ... I highly recommend this book. —R. Jenson, Gray Dog Press In vivid and thoroughly researched detail, Andy Brown masterfully weaves two tragic stories ... this is an important and well-written read. —Gregory K. Moffatt, Ph.D., Author of Blind-Sided: Homicide Where it is Least Expected A highly readable book ... from a unique source. Recommended for a wide audience. —Best-selling true-crime author, Ron Franscell *** Contains more than 70 images and photographs ***

active shooter training for churches: Universalists and Unitarians in America John A. Buehrens, 2011

active shooter training for churches: Biblical Crisis Counseling John Babler, 2014-11-20 The word crisis comes from the Greek krisis, which literally means decision. When trials, temptations, disasters, personal sin, or anything else bring us to a point of crisis, how we respond - the decisions we make and actions we take - will either reflect a faithful, obedient, God honoring heart or a doubtful, self-centered one. Because crises bring about the need to make many decisions, Christians are afforded opportunities to glorify God by making choices and acting in ways that honor Him. The Biblical Crisis Intervention model presented in this book provides a template upon which the counselor can base his or her crisis ministry. As the world provides temporary solutions to those in crisis, the Biblical Crisis Intervention Model offers an opportunity for those in crisis to find the healing that God offers.

active shooter training for churches: Grace Will Lead Us Home Jennifer Berry Hawes, 2019-06-04 A NEW YORK TIMES NOTABLE BOOK OF 2019 * BARNES & NOBLE DISCOVER GREAT NEW WRITERS PICK * OPRAH MAGAZINE SUMMER 2019 READING LIST SELECTION * NEW YORK TIMES EDITOR’S CHOICE “A soul-shaking chronicle of the 2015 Charleston massacre and its aftermath... [Hawes is] a writer with the exceedingly rare ability to observe sympathetically both particular events and the horizon against which they take place without sentimentalizing her subjects. Hawes is so admirably steadfast in her commitment to bearing witness that one is compelled to consider the story she tells from every possible angle.” —The New York Times Book Review A deeply moving work of narrative nonfiction on the tragic shootings at the Mother Emanuel AME church in Charleston, South Carolina from Pulitzer Prize-winning journalist Jennifer Berry Hawes. On June 17, 2015, twelve members of the historically black Emanuel AME Church in Charleston, South Carolina welcomed a young white man to their evening Bible study. He arrived with a pistol, 88 bullets, and hopes of starting a race war. Dylann Roof’s massacre of nine innocents during their closing prayer horrified the nation. Two days later, some relatives of the dead stood at Roof’s hearing and said, “I forgive you.” That grace offered the country a hopeful ending to an awful story. But for the survivors and victims’ families, the journey had just begun. In *Grace Will Lead Us Home*, Pulitzer Prize-winning journalist Jennifer Berry Hawes provides a definitive account of the tragedy’s aftermath. With unprecedented access to the grieving families and other key figures, Hawes offers a nuanced and moving portrait of the events and emotions that emerged in the massacre’s wake. The two adult survivors of the shooting begin to make sense of their lives again. Rifts form between some of the victims’ families and the church. A group of relatives fights to end gun violence, capturing the attention of President Obama. And a city in the Deep South must confront its racist past. This is the story of how, beyond the headlines, a community of people begins to heal. An unforgettable and deeply human portrait of grief, faith, and forgiveness, *Grace Will Lead Us Home* is destined to be a classic in the finest tradition of journalism.

active shooter training for churches: Mass Shootings Jaclyn Schildkraut, H. Jaymi Elsass, 2016-02-22 This book provides readers and researchers with a critical examination of mass shootings as told by the media, offering research-based, factual answers to oft-asked questions and

investigating common myths about these tragic events. When a mass shooting happens, the news media is flooded with headlines and breaking information about the shooters, victims, and acts themselves. What is notably absent in the news reporting are any concrete details that serve to inform news consumers how prevalent these mass shootings really are (or are not, when considering crime statistics as a whole), what legitimate causes for concern are, and how likely an individual is to be involved in such an incident. Instead, these events often are used as catalysts for conversations about larger issues such as gun control and mental health care reform. What critical points are we missing when the media focuses on only what people want to hear? This book explores the media attention to mass shootings and helps readers understand the problem of mass shootings and public gun violence from its inception to its existence in contemporary society. It discusses how the issue is defined, its history, and its prevalence in both the United States and other countries, and provides an exploration of the responses to these events and strategies for the prevention of future violence. The book focuses on the myths purported about these unfortunate events, their victims, and their perpetrators through typical U.S. media coverage as well as evidence-based facts to contradict such narratives. The book's authors pay primary attention to contemporary shootings in the United States but also discuss early events dating back to the 1700s and those occurring internationally. The accessible writing enables readers of varying grade levels, including laypersons, to gain a more in-depth—and accurate—understanding of the context of mass shootings in the United States. As a result, readers will be better able to contribute to meaningful discussions related to mass shooting events and the resulting responses and policies.

active shooter training for churches: To Watch Over Them Day and Night Jeffrey Strickland, 2017-04-09 I have been behind enemy lines. Once in a city in the middle of East Germany. Berlin was divided by a wall that to cross meant certain death. Now it is one thing to be behind enemy lines, but to live there is another matter. Working behind enemy lines at least brings the hope of returning to friendly territory or overcoming the enemy completely. But the world we live in, even in America, we are smack dead center of enemy territory and the enemy isn't going anywhere, at least not until the Lord comes back and kicks Lucifer's tail. That's right, when your Christian children are at home, school, daycare, or VBS, they are in enemy territory, belonging to Lucifer. But, Israel was in the same boat, especially after Nehemiah returned to rebuild the destroyed vulnerable city of Jerusalem. And they all plotted together to come and fight against Jerusalem and to cause confusion in it. And we prayed to our God and set a guard as a protection against them day and night. Nehemiah 4:7-9 Now we set a guard.

active shooter training for churches: Winning a Gunfight Tim Rupp, 2016-10-11 Career police officer and author Tim Rupp has been on both sides of a gunfight--being investigated after being in a gunfight and investigating citizens and officers who have been in shootings. Drawing from personal and professional experiences as a patrol officer, homicide detective, and police sergeant, Rupp takes you through what you'll face in a gunfight. Before picking up a gun for personal protection or the protection of others you need to prepare yourself for what you'll face before, during, and after a gunfight. Winning a Gunfight prepares you ethically, mentally, and tactically how to win a gunfight.

active shooter training for churches: Safe Sanctuaries Joy Thornburg Melton, 2008 The Only Resource of Its Kind Is Now Two Bestsellers in One! Tragically, churches have not always been safe places for children or youth or vulnerable adults. With this in mind, attorney, pastor, and author Melton outlines a process for developing policies and procedures to recognize and reduce the risk of abuse in the church. Safe Sanctuaries combines and expands information from two of her earlier groundbreaking books, which focused, separately, on children and teens. Safe Sanctuaries is the most helpful resource I have found dealing with this troubling topic, says one minister. Straightforward yet non-threatening, the information is helpful for all denominations and congregations of faith. Practical guidance is provided in developing and implementing a substantive, holistic action plan of abuse prevention: recruiting, screening and working with volunteers training models for all who work with children, youth, and vulnerable adults suggestions for congregational

response to unthinkable allegations of abuse order of worship celebrating the adoption of Safe Sanctuaries policies Melton's transformative, relevant, and foundational resource will train leaders in what they need to know to stay safe and keep the vulnerable in their care safe. This revised edition now features updated and timely information about protecting young people from online predators.

active shooter training for churches: Praying Safe Grant Cunningham, Joshua Gideon, 2018-12-10 Starting from scratch, this book serves as a blueprint to developing, implementing, and maintaining safety plans for places of worship. Whether the threat is an active shooter, a medical emergency, or a natural disaster, Praying Safe shows how to prepare for the worst - while hoping for the best.

active shooter training for churches: How to Survive an Active Killer Aaron Jannetti, 2017-12-04 Incidents of mass violence are not new and are unfortunately not rare, yet our avoidance of these realities is quite common. If we don't acknowledge this truth about the violence present in society today, how can we be prepared to face it? This book takes a true look at what your options are for dealing with an active shooter event. Across the United States, businesses, schools, and communities may provide a video to watch or brief presentation to attend on dealing with active killers, often with the message of run, hide, fight, but the training generally stops there. What happens when we need to utilize the principles presented? These conversations don't bring us closer to surviving active shooter events, and ignoring the reality of violence doesn't keep us safe. This book endeavors to instruct you on all aspects of responding to an active shooter situation. You'll learn about planning, evading, and finding a secure place to barricade or cover, along with unarmed fighting, considerations for using a defensive weapon, how to give life-saving medical care, how to interact with law enforcement, how to cope with the aftermath, and where to begin your training. It's a guide to preparing yourself and those you care about for these events, but it's only the first step. What you do with the information is up to you. Your safety is your responsibility! Aaron Jannetti is the owner of Endeavor Defense and Fitness in Columbus, OH. His team teaches unarmed and armed self-defense, as well as strength and conditioning. He holds black belts, instructor diplomas, and numerous certifications and has traveled the US teaching active shooter response at universities, businesses, and communities in more than 30 different states. He brings the knowledge gained from this hands-on work with students from all walks of life back to his team to challenge the ways they teach and bring the best possible instruction to their community.

active shooter training for churches: Crazy Love Francis Chan, 2013-04-01 Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Learn more about Crazy Love at www.crazylovebook.com.

active shooter training for churches: Securing Church Operations Simon Osamoh, 2020-08-20 Securing Church Operations is a seven-step plan for ministry and safety leaders. If you are just starting a safety program or have had one established for many years, the seven steps will encourage and engage you to look deeper into the governance and accountability of your church operations, no matter the size of your church. Factors such as culture, environment, beliefs, and denial are some of the things that are challenging to govern in security ministry. The seven steps provide the answer in how to maintain an open and welcoming environment but secure your church operations. The topics covered in this book include security culture, forming a safety committee,

protecting your perimeter, conducting a security assessment, writing policy and procedures, training staff and volunteers, and implementing a safety team. The Author, Simon Osamoh was overseeing counterterrorism at Mall of America in Minnesota in 2012 when a local church asked for his help building a safety program. As a 20-year security practitioner and a Christian, helping this church created a passion to go on to help hundreds of churches across America to build safety programs. In *Securing Church Operations* he shares his years of best practice teaching safety and security methodology from a biblical perspective. Foreword by Carl Chinn the Founder of the Faith Based Security Network

active shooter training for churches: Active Shooters in Houses of Worship Vinny Green, 2020-10-01 This book is written by experienced staff at the G-Square International Training Academy in an effort to address the growing presence of active shooters in houses of worship. The content is intended to offer options and thoughtful guidance to the well over fifty thousand houses of worship of all denominations, beliefs, and sects that exist in the United States. It is also our belief that the content has a global value in addressing this menace. It is our fervent prayer that this publication will bring insight to leadership, members, and visitors who may be entrapped in an active shooter or other life-threatening situation while attending services or other activities in houses of worship. We hope to achieve this by discussing current best practices being developed to combat the active-shooter phenomenon, as well as presenting the best course of action to take when first responders and additional support arrive. This publication is not intended to be an exhaustive accounting of all available options. It is G-Square's God-inspired effort to present the reader with possibilities that can contribute to survival in the demon-inspired actions of an active shooter and other life-threatening events.

active shooter training for churches: Active Shooter Events and Response John P. Blair, Terry Nichols, David Burns, John R. Curnutt, 2013-06-12 The Columbine tragedy on April 20, 1999 began a new era in law enforcement as it became apparent that the police response to such mass shootings must be drastically altered. By the time the Sandy Hook Elementary School shooting occurred on December 14, 2012, outdated police response strategies had been replaced with new, aggressive tactics used by the first officers on the scene. The frequency with which these events occur remind us time and again about the importance of training and preparing for these critical situations before they occur in our own backyards. *Active Shooter Events and Response* is one of the first attempts to not only discuss historic active shooter events, but also to actually dissect some of them—empowering law enforcement professionals by leveraging the essential knowledge and experience of those who have gone before us. The book also offers insight into the training methodologies and strategies used to prepare our nation's first responders to address the active shooter threat. In addition, the authors discuss the clear and present threat of terrorist organizations using these mass shooter tactics on American soil—similar to the attacks in Beslan, Russia and Mumbai, India. Written by members of the Advanced Law Enforcement Rapid Response Training (ALERRT) Center at Texas State University, this book is the culmination of more than a decade's worth of training and research into active shooter events and represents state-of-the-art, evidence-based best practices.

active shooter training for churches: You Can Write a Step-by-Step House of Worship Emergency Safety and Security Plan Lauren Holley-Allen, MA PSA, 2021-10-20 EVERYTHING YOU NEED TO KNOW TO WRITE AN EMERGENCY MANAGEMENT SAFETY AND SECURITY PLAN FOR YOUR HOUSE OF WORSHIP OR PLACE OF BUSINESS Do you know what to do in case of an emergency? If a hate crime occurs in your house of worship, or a natural disaster hits it, or a deadly virus suddenly threatens your congregation, would you know what to do? This one-of-a-kind book gathers all the information you need to know to protect your congregation or business in one handy volume. Using easy-to-follow, non-technical language, it will prepare you to write, plan, and train colleagues within your congregation or organization to face whatever emergency presents itself with confidence. The information in this book applies to various faiths, houses of worship, and interfaith organizations, and its appeal extends beyond the walls of your house of worship by providing

actionable guidance to: Anyone interested in the training, safety, and security fields First responders Government agencies Emergency management professionals Planning professionals Mental health professionals School administrators Our world is an unpredictable place, and you never know where the next threat might come from. But with the powerful information revealed in this book, you will be prepared for it when it does. LAUREN HOLLEY-ALLEN is a retired psychiatrist assistant and trained administrator with the State of Maryland. She has worked as state training officer for the Maryland Emergency Management Agency and director of Education and Training for the Department of Mental Health and Hygiene. Mrs. Holley-Allen's career spans over thirty years of state service, in which she first joined as a master's-level psychologist in 1985. Additionally, she worked as a consultant for Glass Health Systems and Union Memorial Hospital. She developed and taught diversity Training for psychiatric interns who worked in emergency rooms with physically and emotionally challenged minority patients. She provided psychiatric consultation and training for area hospitals, nursing homes, and in special education schools with students and faculty. She lives in Towson, Maryland.

active shooter training for churches: Security and Risk Assessment for Facility and Event Managers Stacey Hall, James M. McGee, Walter E. Cooper, 2022-12 Security and Risk Assessment for Facility and Event Managers introduces a risk assessment framework that helps readers identify and plan for potential security threats, develop countermeasures and emergency response strategies, and implement training programs to prepare staff.

active shooter training for churches: Make My Church Safe Sam Rainer, 2024-10-29 A concise guide to the best practices in making your church safe for members and attendees of all ages. Every church should be a safe space for everyone who comes in. Every church should also be equipping people to confront the powers of darkness and help those in trouble. Unfortunately, far too many churches are unsafe internally, which leaves them unprepared to confront external dangers. An unsafe church creates a toxic environment that works against the gospel. A safe church is battle-ready to combat the worst of the world's problems. Make My Church Safe by respected pastor, Sam Rainer, is designed to be a brief and general overview of the best practices regarding church safety for a broad audience. In the book, you'll learn: how to recognize the telltale signs of abuse how to set up a system for training volunteers how to provide true accountability for leaders and pastors how to move forward after a moral failure occurs the ten nonnegotiable rules of safety around children and students

active shooter training for churches: The Doctrines and Discipline of the African Methodist Episcopal Church African Methodist Episcopal Church, 2017-05-01 Published in 1817, The Doctrines and Discipline of the African Methodist Episcopal Church was the first definitive guide to the history, beliefs, teachings, and practices of the African Methodist Episcopal Church. Beginning with a brief history, the book moves into a presentation of the Articles of Religion, including the Trinity, the Word of God, Resurrection, the Holy Spirit, scripture, original sin and free will, justification, works, the church, purgatory, the sacraments, baptism, the Lord's Supper, marriage, church ceremonies, and government. Immediately following the articles is an extended four-part catechism that more fully explicates the meanings and implications of the doctrinal statements. A DOCSOUTH BOOK. This collaboration between UNC Press and the University of North Carolina at Chapel Hill Library brings classic works from the digital library of Documenting the American South back into print. DocSouth Books uses the latest digital technologies to make these works available in paperback and e-book formats. Each book contains a short summary and is otherwise unaltered from the original publication. DocSouth Books provide affordable and easily accessible editions to a new generation of scholars, students, and general readers.

active shooter training for churches: Krav Maga Gershon Ben Keren, 2014-12-23 Krav Maga: Real World Solutions to Real World Violence presents a no-nonsense approach to neutralizing attackers in close quarters. Author Gershon Ben Keren explains the philosophy behind the Krav Maga method, which is the basis of the Israel Defense Force's (IDF) devastating close combat system. This book lays out a systematic approach to self-defense and provides illustrated

confrontation scenarios paired with tailored practical responses. Accompanied by clear, easy-to-follow photographs, practical combat skills are described in step-by-step detail, along with the movement patterns needed to make them effective in real-life settings. All of the photos in the book were shot in real-time, demonstrating what realistic movements--both from the attacker's and defender's perspective--look like. Where applicable, techniques have been shot in the scenarios in which they occur such as bars, restrooms, ATMs, etc. The situational components of such violent incidents are explained, so the reader can learn to identify, predict, and avoid violence before it occurs. Contents of this Krav Maga book include: What is Krav Maga? Krav Maga Yashir Introduction to author Gershon Ben Keren Basic Skills (Stances, Movement, Blocking and Striking)--The Timeline of Violence; Controlling Range; Relative Body Positioning; Groin Kick; Driving Knee Self-Defense Scenarios--Knife Disarming; Gun to Front of Body; Abductions and Hostage Taking; Knife Shank; Improvised Weapons Unarmed Assaults and Dynamic Components of Violence--Preventing a Front Headlock; Applying an Effective Guillotine; Defending Knees in a Clinch and more!

active shooter training for churches: *Campus Attacks* Federal Bureau of Investigation, U. S. Secret Service, U. S. Department of Education, 2019-07-16 In response to the Virginia Tech incident on April 16, 2007, former cabinet Secretaries Michael Leavitt and Margaret Spellings, and former Attorney General Alberto Gonzales submitted the Report to the President on Issues Raised by the Virginia Tech Tragedy dated June 13, 2007. The report included a recommendation that the U.S. Secret Service (Secret Service), the U.S. Department of Education, and the Federal Bureau of Investigation (FBI) explore the issue of violence at institutions of higher education (IHEs). Accordingly, we initiated a collaborative effort to understand the nature of this violence and identify ways of preventing future attacks that would affect our nation's colleges and universities.

active shooter training for churches: 10 Minutes to Live Michael Julian PPS, CSP,, 2018-01-18 Active shooter mass killings have become a horrible reality in our society and no place is immune to them. In this book, Michael Julian, CPI, PPS, CSP shares how essential the appropriate actions you take in the first ten minutes of an active shooting can be for your survival. How every second counts to stay alive. Julian provides simple tools to help you in the event you find yourself in this type of scenario. He teaches you how to prepare yourself using a security mindset, and fight through your fear with a survival mindset so you can evaluate your situation and react appropriately. Specifically, Julian shows you how to: Become more aware of your surroundings, Prepare for such an event by being proactively reactionary, Evaluate an active shooter situation more quickly and efficiently, Decide and take the best action necessary for your survival, Dominate the attacker, if necessary, using a kill or be killed mentality, Navigate the chaos that comes after the event, and Train family, friends, and coworkers how to do the same. Julian's insight helps you prepare for the worst. This alone could be the difference between life and death in the face of a horrific experience.

active shooter training for churches: Pastor, Church & Law Richard R. Hammar, 1983

active shooter training for churches: Active Shooter Events and Response John P. Blair, Terry Nichols, David Burns, John R. Curnutt, 2013-06-12 The Columbine tragedy on April 20, 1999 began a new era in law enforcement as it became apparent that the police response to such mass shootings must be drastically altered. By the time the Sandy Hook Elementary School shooting occurred on December 14, 2012, outdated police response strategies had been replaced with new, aggressive tactics used by

active shooter training for churches: God and Guns in America Michael W. Austin, 2020-05-12 What if Christians did more than offer thoughts and prayers in response to gun violence? Ethicist Michael Austin argues—from a biblical but nonpacifist perspective—that we can impose firearms restrictions to make our society safer and less fearful while still respecting the rights of gun owners. *God and Guns in America* is a thoughtful, measured, and articulate treatment of a polarizing topic that is too often treated with more heat than light.

active shooter training for churches: Is It My Fault? Lindsey A. Holcomb, Justin S. Holcomb, 2014-05-01 *Is it My Fault?* proclaims the gospel of healing and hope to victims who know

too well the depths of destruction and the overwhelming reality of domestic violence. At least one in every three women have been beaten, coerced into sex, or abused in their lifetime. The effects of domestic violence are physical, social, emotional, psychological, and spiritual, and can have long-lasting distressing consequences. It is common for victims of domestic violence to suffer from ongoing depression and recurring nightmares, self-harm, such as cutting, panic attacks, substance abuse, and more. This book exists to address the abysmal issues of domestic violence using the powerful and transforming biblical message of grace and redemption. *Is It My Fault?* convincingly shows that the Lord is the only one who can heal the despairing victim. It deals with this devastating problem and sin honestly and directly without hiding its prevalence today.

active shooter training for churches: *This Day In Comedy* Frank Holder, Darryl Littleton, 2019-11-04 *This Day in Comedy* is not just an encyclopedia, but a celebration of comedy. In humorous prose the book takes readers through the often-neglected subcultures of comedy in America, acknowledging the inclusiveness of the performers as well as shows and films that made this art form so vital to comics of all backgrounds. It's artistically criminal that a search for Native American or Asian comedy information yields a virtually blank slate. Look for Middle Eastern comics and you'll be provided information on the region's comic book revolution, and search results for Latin comedy are confined to a series of outdated articles. This encyclopedia will offer rare and in some cases never-before-seen photos and obscure facts, making it an indispensable comedy essential.

active shooter training for churches: *Soft Target Hardening* Jennifer Hesterman, 2018-12-07 The US government spends billions of dollars to secure strategic and tactical assets at home and abroad against enemy attack. However, as hard targets such as military installations and government buildings are further strengthened, vulnerable soft targets are increasingly in the crosshairs of terrorists and violent criminals. Attacks on crowded spaces such as churches, schools, malls, transportation hubs, and recreational venues result in more casualties and have a powerful effect on the psyche of the populace. *Soft Target Hardening: Protecting People from Attack*, Second Edition, continues the national dialogue started by the first edition by providing case studies, best practices, and methodologies for identifying soft target vulnerabilities and reducing risk in the United States and beyond. Soft target attacks steadily climbed in number and scale of violence since the first edition of this book. New tactics emerged, as terrorists continually hit the reset button with each attack. In this volatile, ever-changing security environment, plans to protect people and property must be fluid and adaptable. Along with new hardening tactics, such as the use of tactical deception to disguise, conceal, and divert, the author has updated the text with new case studies to reflect and respond to the fast-moving transformation in methods from more complex and organized forms of terror to simpler, yet still-devastating approaches. This book is a must-read for those who secure, own, and operate soft target facilities, and for citizens who want to protect themselves and their families from attack. *Soft Target Hardening*, Second Edition, was named the ASIS International Security Industry Book of the Year in 2019.

active shooter training for churches: *Finding Comfort During Hard Times* Earl Johnson, 2020-03-24 Opportunities to help are all around, and Johnson suggests ways to reach out to others who are suffering loss, illness, and loneliness. Disasters will continue, and Johnson's informative and moving book will help readers offer succor. Booklist, Starred Review *Finding Comfort* is a book about easing grief and trauma after unimaginable horrors – mass shootings, catastrophic natural disasters and terrorist acts. Personal recollections of responding to tragedy, combined with a practical application, Earl Johnson offers readers the tools they need to seek support and offer it to those in need. The book walks through the life-cycle of disaster care from the first hours and days to the years that follow. Having been a care provider in a variety of events, Johnson shares valuable wisdom from those who have worked in the worst situations. Whether you're a first responder, a care professional, a victim of a disaster, a family member, or following a disaster on television or social media, *Finding Comfort* gives readers guidance and support. Readers don't have to wait for tragedy. this work helps one be prepared through examples and practical suggestions. This book is a ready

resource to both those in need looking for help and to those wishing to provide it.

active shooter training for churches: Preschool to Prison Elvis Slaughter, 2017-11-03 Are you wondering how to identify the early indicators of criminal behavior in a child? Do you need information on how to prevent the cradle to prison pipeline? Preschool to Prison will provide you with answers to questions and issues relating to risk factors and problem behavior in children and teenagers and effective handling of such situations. Children and youth tend to follow a path toward delinquent and criminal behavior, rather than engage in criminal behavior randomly. The path toward the development of juvenile delinquency provides communities, families, and systems the opportunity to intervene and help prevent the onset of antisocial behaviors and the involvement of the justice system (Silverthorn et al., 1999). The best and most effective time to stop the cradle-to-prison pipeline is as close to the beginning of the pipeline as possible, based on the growing body of research. Early intervention not only helps prevent the onset of delinquent behavior, but it also supports the development of youth assets and resilience (Loeber et al., 2003). Preschool to Prison explains the factors that could lead children, teenagers, and adults to crime and offers research-based solutions that help deal with criminal behaviors. Always remember, An ounce of prevention is worth a pound of cure.

Active Shooter Training For Churches Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Active Shooter Training For Churches free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Active Shooter Training For Churches free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Active Shooter Training For Churches free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Active Shooter Training For Churches. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Active Shooter Training For Churches any PDF files. With these platforms, the world of PDF downloads is just a click away.
